NOTE:

The National Bank of Moldova notes that money transfers from abroad in favour of individuals via banks do not consist solely of remittances of Moldovan citizens working abroad, but also include unilateral transfers such as:

1. local transfers, including salary transfers in favour of resident individuals from non-residents representatives (representative offices of international financial institutions, international organisations, and representations of foreign economic agents) in the Republic of Moldova (0.9 percent of total transfers);
2. transfers in favour of non-residents who are temporarily in the Republic of Moldova (0.3 percent of total transfers via MTS);
3. pensions (social and maintenance) and benefits (0.4 percent of total transfers).

Money transfers from abroad in favour of individuals through Moldovan banks also include transfers of individuals made via postal offices of the State Enterprise "Poșta Moldovei" (settled through banks), both via MTS and money orders.

Note that this indicator does not include:

- a) international transfers to individuals made via SWIFT payment system with an investment purpose (with significant values), which amounted in the June 2020 to USD 2.18 million;
- b) international transfers via SWIFT payment system to non-resident individuals, clients of licensed Moldovan banks;
- c) transfers made via so-called banks in the Transnistrian region of the Republic of Moldova.

Statistical series on money transfers from abroad made in favour of individuals via banks and SE "Poșta Moldovei", as well as their currency structure, can be found on the official website of the National Bank of Moldova at:
