The mandates of the temporary administrators of BC „Moldindconbank” S.A. have been extended

The Executive Board of the National Bank of Moldova (NBM) decided, during its meeting of 14 April 2014, to extent the mandates of the temporary administrators of BC „Moldindconbank” S.A. for a period of three months.

The temporary administrators exercise their mandates under early intervention regime at BC „Moldindconbank” S.A., which was approved on 20 October 2016, as a result of concerted activity of a group of persons who holds a qualifying holding in the bank’s chare capital in the amount of 63.89 percent, without the prior written permission of the National Bank.

BC „Moldindconbank” S.A. operates in normal regime and provides the full range of services, including those related to operations with deposits, lending and settlement.
