During January – August 2022, the volume of cash receipts increased by 17.4% compared to the similar period of the previous year and amounted to MDL 113,290.9 million. The increase in the volume of cash receipts was mainly determined by the increase by 10.5% of the receipts from the sale of consumer goods (regardless of the sales channel), which have the largest share (53.3%) in the volume of total receipts (Chart 2). At the same time, the volume of receipts from the sale of foreign currency to individuals increased 2.3 times, amounting to MDL 7,989.7 million (the equivalent of USD 427.9 million[3]).

This evolution was supported by most sources with a major share in cash receipts.
