During January - March 2021, the volume of cash receipts increased by 7.4% compared to the similar period of the previous year and amounted to MDL 31,584.0 million. The increase in the volume of cash receipts was mainly determined by the increase by 9.7% of the receipts from the sale of consumer goods (regardless of the sales channel), which have the largest share (55.2 %) of total volume of receipts (Chart no. 2). It should be noted that this evolution was supported by the increase of practically all sources of cash receipts. At the same time, the volume of receipts from the sale of foreign currency to individuals decreased by 27.4% (the share being 3.1%) compared to the similar period of the previous year.

This change was mainly determined by the increase of the releases to purchase foreign currencies from individuals by MDL 1093.2 million(13.7%), amounting to MDL 9,074.3 million (the equivalent of USD 511.8 million[3]). Their share increased by 1.5 percentage points and accounted for 28.2% of the total volume of cash release.

At the same time, the releases from individuals'[4] accounts increased by 5.4%, amounting to MDL 7,329.4 million, which represents 22.8% of the total releases volume.

It should be noted, that releases from ATMs had a significant share of 19.2% of total releases and decreased in January – March 2021 by 1.1% compared to the same period of the previous year.

In March, the volume of cash releases amounted to MDL 11,836.2 million, less by MDL 26.5 million than the

volume of receipts. Compared to February 2021, cash releases increased by MDL 1246.4 million or by 11.8%.
