Deadline for design contest for jubilee and commemorative coins, issue 2022, extended

The National Bank of Moldova (NBM) has responded to requests from citizens to extend the deadline for the design contest for jubilee and commemorative coins, issue 2022.

Thus, interested persons can submit design projects until **March 14, 2022, at 14.00**. In this context, the National Bank encourages all citizens who have reached the age of 18, as well as legal entities, to express their graphic vision of future coins. Only participants submitting design projects for at least two topics will be accepted. The number of drawings submitted by a participant for a topic is not limited. Participants are required to comply with copyright and related rights. By participating, the author of the design agrees to the processing of personal data.

The basic criteria for the selection of the submitted projects refer to originality, creativity, and coherence of the design elements, making it possible to execute them on the surface of the coins.

The requirements for the design of the coins, examination and evaluation conditions, remuneration, including other important details, are set out in *the Design procedure for jubilee and commemorative coins, issue 2022* [1].

Further information on jubilee and commemorative coins issued by the NBM so far can be viewed on the official website [2].
