## Deadline for the sale of the newly issued shares of the BC "Moldindconbank" S.A. has been extended

The Executive Board of the National Bank of Moldova (BNM) decided on 18 January 2019 to extend for a three-month period the sale deadline of the newly issued shares of the BC "Moldindconbank" SA, as a single share package accounting for 63.89% of the bank's share capital.

"The most preferred orderly leaving from the temporary intervention regime is by attracting a qualified investor. This process of attracting an investor, analyzing the investment opportunities, applying and receiving the NBM's approvals is a lasting one. I believe that we can find an investor for the purchase of the share package accounting for 63.89%", mentioned the NBM Governor, Octavian Armaşu, in the last week [interview](#) <sup>[1]</sup> to the mass-media institutions of the Republic of Moldova.

BC "Moldindconbank" S.A. operates in normal regime and provides the full range of services, including those related to deposits, lending and settlement operations.
