Statistical data [6]

Instruction on the compilation and submission of reports on interest rates applied by the banks in the Republic of Moldova, approved by the DEB of the NBM No 331 of 01.12.2016 [7]

1. The press release is made based on reported information according to the Instructions on the preparation manner and presenting reports on the interest rates applied by the Moldovan banks, approved by the Decision of the Executive Board of NBM no.331/2016. The notions and terms used in the press release, especially new loans, legal entities, individuals and individuals that practice the activity have got a well-defined meaning in the contracted Instruction.

2. Loans attached to the currency rate represent loans whose balances, according to the conditions established in the corresponding contracts concluded by the bank, change depending on the evolution of the Moldovan leu exchange rate against the currency to which they are attached.

Note: In the infographics the aggregated data may not correspond exactly to the sum of components because of the mathematical rounding.
