The NBM Governor discussed with the first Ambassador of Denmark to Moldova the possibilities of bilateral cooperation

The Governor of the National Bank of Moldova, Anca Dragu, held a meeting with the First Ambassador of the Kingdom of Denmark to the Republic of Moldova, Søren JENSEN. The discussions focused on opportunities for bilateral cooperation, the possibility of attracting foreign investors and initiating an exchange of experience with the central bank of Denmark.

Anca Dragu mentioned the firm commitment of the NBM in the process of integration of the Republic of Moldova into the European Union, adding that it is also an opportune moment for foreign investors to come to our country.

The Governor also stated that we would like to cooperate in the area of stimulating financial intermediation: "The economy of the Republic of Moldova needs, in particular, small and medium-sized enterprises to become more active. At the same time, we want to take over the best practices and response models of the central bank of Denmark to the challenges it has faced over the years".

Søren JENSEN visited the NBM to express his openness to multilateral cooperation with the National Bank.

The opening of the Embassy of the Kingdom of Denmark in Chisinau took place on 25 January 2024, during a visit to the Republic of Moldova of the Danish Foreign Minister Lars Løkke Rasmussen.
