"Spend the holiday with the NBM" - online financial education campaign

The National Bank of Moldova (NBM) launches the financial education campaign "Spend the holiday with the NBM", addressed to all age categories.

It will take place, starting with 27 July, in online format, ensuring the protection conditions in the existing epidemiological situation, and also a wider access to those willing to take a virtual tour of the central bank and benefit from a foray into a financial and banking topic.

Visitors will have the opportunity to participate in two events: "A vacation day at the NBM", which became a tradition, and "The first financial education camp in the Republic of Moldova" for pupils, students or young people eager to learn more about the financial and banking field, within the project "Give sense to money".

These activities will take place on the ZOOM platform and the training language is Romanian. People interested in the event "A vacation day at the NBM" can send requests to the e-mail address: educatia.financiara@bnm.md ^[1] or on the Facebook page of the National Bank of Moldova: <https://www.facebook.com/BNMoficial> ^[2], while those interested to participate in "The first financial education camp in the Republic of Moldova" will be later announced about the registration way on the Facebook profile of the financial education project "[Give sense to money](#)" ^[3].
