Strategic Plan of the National Bank of Moldova „NBM 2025”

Mission

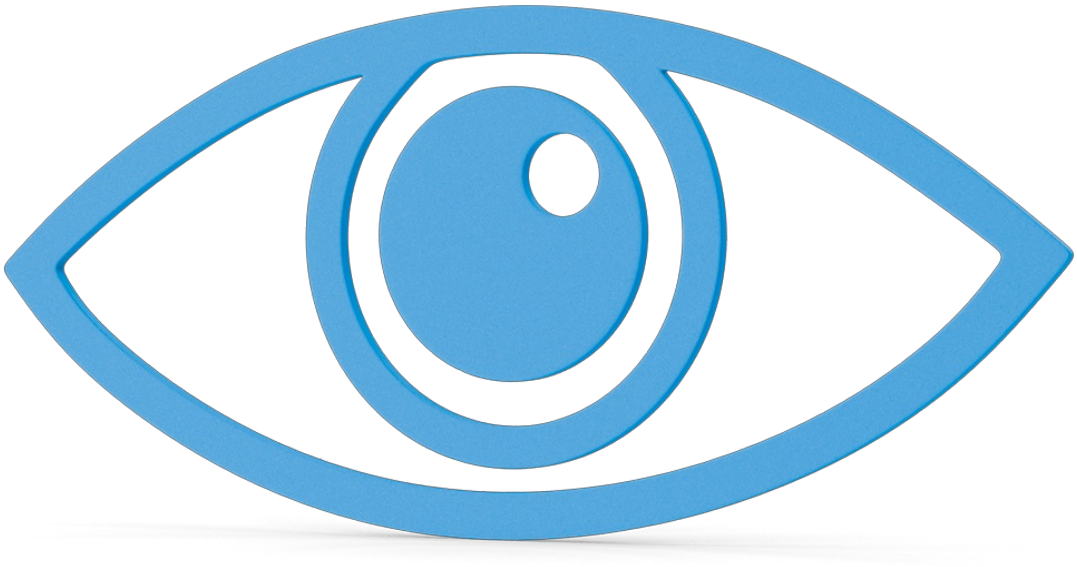

The fundamental objective of the National Bank of Moldova is to ensure and maintain price stability.

Without prejudice to its fundamental objective, the National Bank aims to ensure stability and viability of the banking system and supports the overall economic policy of the state.

[1]

Vision

The National Bank of Moldova is an independent, efficient and transparent institution, resistant to the challenges of the external environment, proactive in actions and credible in decisions, guided by good governance practices, with a consolidated team of professionals, committed to fulfilling its mandate for the benefit of all citizens.

Values

Independence

autonomy in exercising the duties established by law, impartiality and objectivity, without any interference from other authorities or persons.

Responsibility

continuous concern on the economic, social and environmental impact of the work performed and of the decisions made.

Credibility

policies, reforms, communication and attitude that inspire confidence and safety to the public and markets by applying the principles of transparency.

Professionalism

competency, efficiency, ethics, integrity, decision-making, continuous improvement.

Teamwork

unity and consistency in values and actions, commitment, care, support and mutual respect.

Flexibility

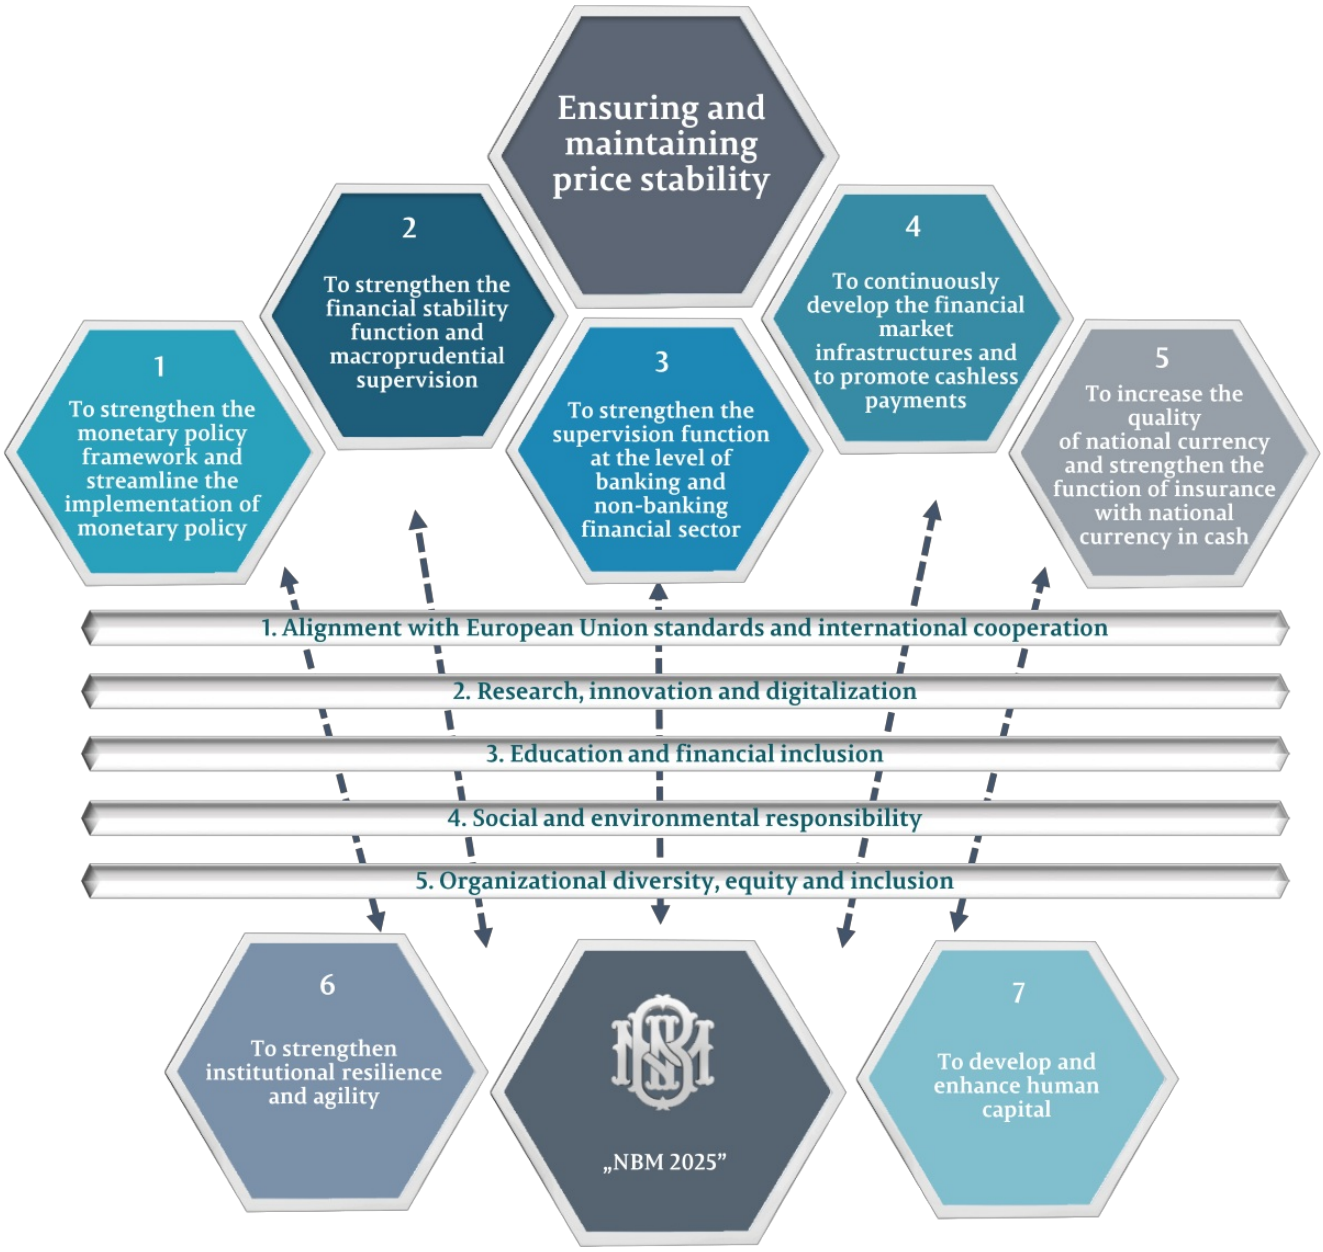

openness to change, innovative capacity and agility.

Resilience

human resources, internal procedures and information technologies resistant to external shocks, which maintain the safety and diligence of the institution's operation.

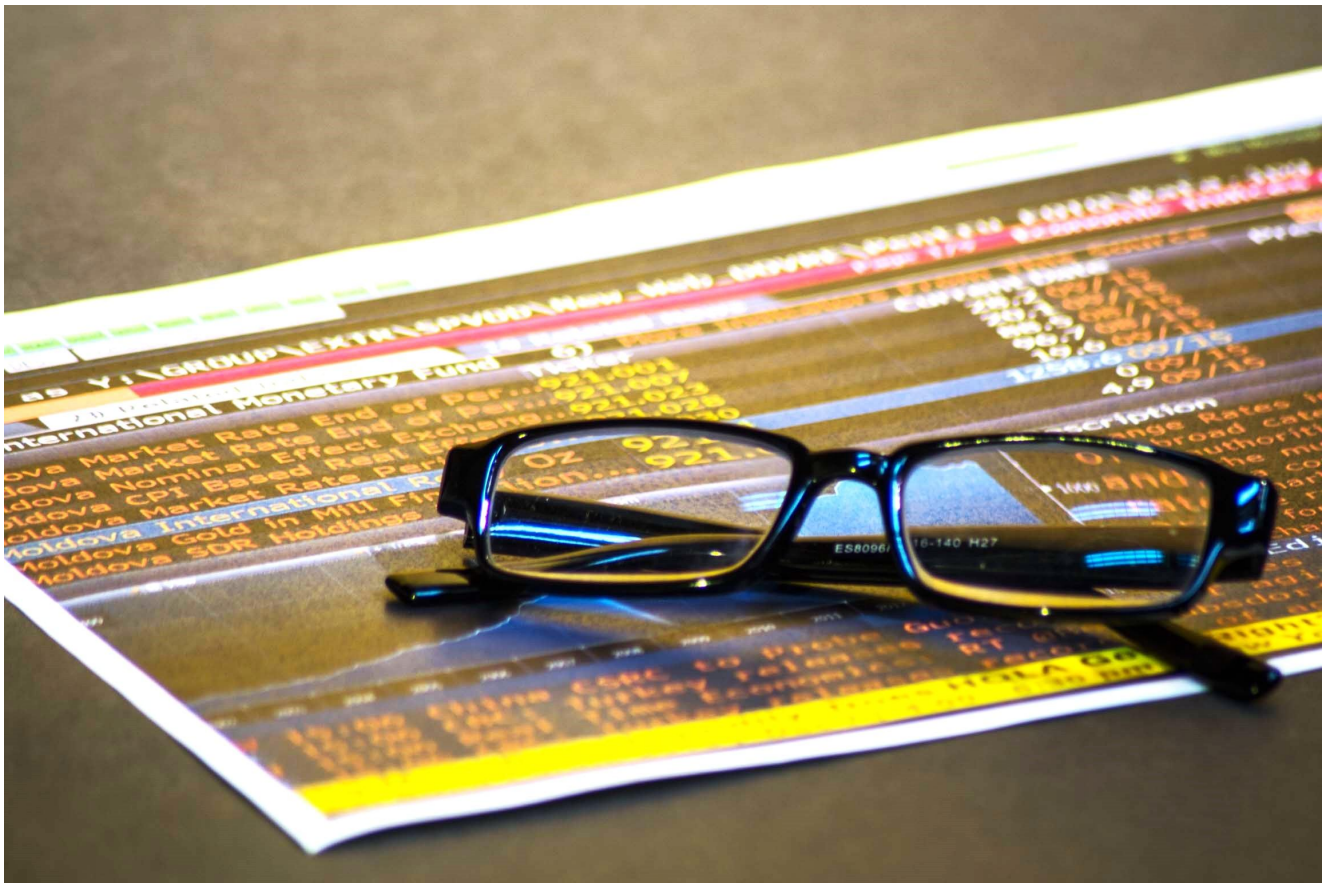

Matrix of strategic objectives

[2]
