 - “Personalities” series:**
 - Topic I: “Igor Vieru – 100 years since birth”
(Ro: „Igor Vieru – 100 de ani de la naștere”);
 - Topic II: “Alexei Sciusev – 150 years since birth”
(Ro: „Alexei Șciusev – 150 de ani de la naștere”);
 - “Monuments of Moldova” series:**
 - Topic III: “Trajan’s Wall”
(Ro: „Valul lui Traian”);
 - “Holidays, culture, traditions of Moldova” series:**
 - Topic IV: “Mărțișorul – symbol of spring” (coloured)
(Ro: „Mărțișorul – simbol al primăverii”);
 - “Other” series:**
 - Topic V: “Peace”;
(Ro: „Pace”);
 - Topic VI: “Bee’s World” (coloured)
(Ro: „Lumea albinelor”);
 - Topic VII: “Anniversary of the national currency”
(Ro: „Aniversarea monedei naționale”).
3. **Eligible participants:** individuals who have reached the age of 18, as well as legal entities. By participating in the design competition, each participant unconditionally agrees and undertakes to comply with the requirements of this procedure.
4. **Deadline for submission of draft designs:** 19 May 2023, 14⁰⁰.
5. **Announcement of the results:** the NBM shall inform each participant about the results of the evaluation of draft designs submitted in the contest in accordance with this procedure, following their approval by the governing bodies of the National Bank of Moldova.
6. **Requirements for the creation and presentation of draft designs:**
 - a) the maximum number of drafts submitted by a participant for a topic is not limited;
 - b) each draft design shall be submitted **in electronic format, including the vector version**, as follows:
 - computer generated drawing,

- in black and white, with the exception of topics IV and VI, which must be submitted in coloured version,
- the image with a diameter of 15 cm and, on the same page, the image with a diameter of 1/1 to the size of the coin:
 - for topics I, II, III - with a diameter of 30 mm;
 - for topics IV, V, VI - with a diameter of 35 mm;
 - for topic VII - with a diameter of 24 mm and 37 mm.

Note: The version with a diameter of 1/1 to the size of the coin will be taken into consideration for examination.

- c) each design submitted shall contain a brief description of the design concept, the source of inspiration including references and the description and significance of each design element;
- d) the design concepts submitted may not be used in other projects (brands, medals, stamps, etc.);
- e) **recommended elements** for the design of jubilee and commemorative coins:
 - for topic I - face of the evoked personality, years of life, images characterizing the activity of the personality, the inscription in capital letters “IGOR VIERU”;
 - for topic II - face of the evoked personality, years of life, images characterising the activity of the personality, the inscription in capital letters “ALEXEI ȘCIUSEV”;
 - for topic III - the elements and images characterising the topic, the inscription: “Valul lui Traian”;
 - for topic IV - the colourful image of “Mărțișor” represented by two homunculus (little human beings) dressed in traditional clothes, one in red and the other in white, the stylised inscription “Mărțișorul - simbol al primăverii”;
 - for topic V - representation of the elements (globe, doves, children, traditional dance “Hora”) and inscription of a slogan characterising the topic;
 - for topic VI - in the background - the coloured image of a honeycomb, in the foreground – the image of several honeybees collecting nectar from a flower, the inscription “Lumea albinelor” in capital letters following the circumference of the coin;
 - for topic VII - stylised image of a rampant lion or other elements characterising the origin of the Moldovan leu, the inscription of the topic name: “Aniversarea monedei naționale”;
- f) each design submitted should have attached the statement with:
 - the text *“I, the undersigned (name, surname), hereby declare on my own responsibility, knowing the provisions of Article 352¹ of the Criminal Code of the Republic of Moldova on false statements, that I am the author (holder of exclusive moral and patrimonial rights) of this draft design, therefore, I confirm that it is original and complies with the provisions of the legislation on the copyright protection and related rights. I understand that if this declaration does not comply with reality, I am liable under the provisions of the criminal legislation on false statements”;*
 - name, surname and signature of the author of the design draft;
 - date of signature of the draft design.
- g) the participant in the design competition shall provide personal data (including consent to their processing by the NBM), according to Annex 1 to this procedure;

- h) the draft designs for the coins, together with the Agreement completed and signed in accordance with Annex 1, shall be submitted to the NBM by sending them to the e-mail address corneliu.cretu@bnm.md, specifying: **“Design for jubilee and commemorative coins 2023”**;
- i) the participants are responsible for ensuring that they have received a confirmation from the NBM of receipt of the draft designs for entry into the competition organised under this procedure;
- j) all the costs relating the creation and submission of draft designs to the NBM shall be fully borne by the participant;
- k) the participant shall undertake to carry out, if requested by the NBM, without additional remuneration, the final correction of the draft designs (necessary changes/corrections arisen during execution of technological operations) on which they transfer the copyright ownership, within 5 calendar days from the date of the NBM's request.

Note:

- by submitting draft designs for jubilee and commemorative coins, the participant in the procedure confirms his/her availability to sign a contract on the transfer of exclusive author's patrimonial rights allowing the NBM to use the design for an unlimited period of time and territory, in case the NBM has selected and approved it;
- submitted draft designs are not returned to participants.

7. Examination procedure:

- a) draft designs shall be subject to examination and evaluation by a commission established by the NBM for this purpose;
- b) the commission have to select the most successful draft designs (one for each jubilee and commemorative coin);
- c) the draft designs selected by the commission shall be forwarded to the governing bodies of the NBM for examination and approval, which, in turn shall designate the winners of the competition;

The NBM reserves the right to reject the results of the competition if no successful design has been selected.

8. Criteria for draft designs selection:

- a) compliance with the requirements set out by the NBM;
- b) clear and successful representation of the coin's topic;
- c) drafting a qualitative and technologically realisable design on the surface of the coin, which portrays:
 - aesthetic, creative and original character, clear visibility and coherence of the design elements in the version featuring a 1/1 diameter to the actual size of the coin;
 - design elements that are framed within the area of the coin surface, without being interlaced, overlaid with text or other design elements;
 - legible text and fine details – not less than 1 mm;
 - clear design elements that should not be overloaded with details that would appear as defects on the surface of the coins (e.g. abundance of vegetation or inlaid lines, etc.).

- 9. Remuneration for draft designs selected by the NBM:** for each approved draft design, the NBM shall sign a contract with the participant on the transfer of intellectual property rights, including exclusive author's property rights on the created draft designs.

The amount of the contractual remuneration shall vary according to the theme and complexity of the design submitted. Deductions shall be carried out from this amount of remuneration in accordance with the tax legislation in force.

In the event the BNM considers that elements from the draft designs submitted by several graphic designers will be used for the approval of final draft design, the amount of **remuneration shall be divided** equally to the authors of these designs.

Amount of remuneration: starting from 6 500 MDL.

10. Personal data:

- a) by participating in the competition, the participant expresses his/her consent to the processing of personal data provided to the BNM;
- b) the NBM undertakes the responsibility to maintain the confidentiality, security and use of personal data in accordance with the legislation in force;
- c) the NBM shall have the right to publicly announce the names and surnames of the winners.
