State Securities transactions on the secondary market

Acting as fiscal agent of the State, the NBM organizes the functioning of an over-the-counter secondary market of state securities and collects information regarding the elements of transactions with state securities on the secondary market.
The Informative Bulletin about transactions with State Securities on an over-the-counter secondary market shall be elaborated weekly and is available starting from 02.01.2007-05.01.2007.
